JAPANESE LANGUAGE COURSE INFORMATION

TEMPLE UNIVERSITY SCHOOL OF LAW
Law Program in Japan –2016

Over the years, many students have taken advantage of their time in Japan either to begin studying Japanese or to hone their language skills. Our students have found that their Tokyo semester is not only the best time to study Japanese, but also the last chance they will perhaps have for some time to learn a new language.

You can register for Japanese language classes when you register for your other spring courses.
